

THE FIRST NAME IN SILAGE QUALITY

Growing to meet your expanding needs

Our commitment to your growth and improved productivity is evident with introduction of the new X1114 Professional 14' Ag-Bagger, the largest silage bagger available in the industry!

Ag-Bag provides lower cost feed storage solutions for every size of farm. You will benefit from lower feed storage costs and less feed loss.

Ag-Bag provides a way to reduce costly shrinkage and to give your cows the kind of nutritious and palatable silage they prefer. The Ag-Bag system is proven to be the ideal environment for preserving high quality, highly digestible feed that raises production and herd health levels.

Ag-Bag: lower cost storage, significantly reduced storage losses, a convenient way to segregate feed types, and industry-leading resale value.
